with little importance to the state. However, I thought that we would want to do is sequentially and do it in small bites so I proposed the amendment for you. Actually what the amendment does is two things. It would eliminate one staff person, it would eliminate about \$10,000 for the Governor's Conference and \$5,000 for food. For the image of the Legislature to show that we are careful in our considerations of expenditures and try to spend in those areas of high priority and cut in those that are not, I urge the adoption of the amendment.

PRESIDENT: Senator Savage, as cointroducer, do you wish to speak? Then, the next speaker is Senator Clark.

SENATOR CLARK: Mr. President, members of the Legislature, I commend Senator Lewis for his austerity. It's the first time I've noticed it in the whole session. I'm sure this could be one area that you could do it in. However, because one person was foolish and childish does not mean that we should be foolish and childish. Therefore I would certainly oppose the amendment.

PRESIDENT: Senator Koch.

SENATOR KOCH: Mr. President, members of the Legislature, we all know why Senator Lewis did this and most of us have strong feelings for his reasons, but I move the previous question.

PRESIDENT: The motion is the previous question. Seeing five hands, all those in favor vote aye. Those opposed vote nay. Have you all voted to stop debate? Clerk will record.

CLERK: 27 ayes, 15 nays on previous question.

PRESIDENT: Debate ceases. Senator Frank Lewis, do you wish to close?

SENATOR LEWIS: I urge you to strike the bell for frugality and adopt my amendment.

PRESIDENT: The motion is to adopt. All in favor vote aye. Those opposed vote nay. Voting no.

CLERK: Senator Simpson voting no.

PRESIDENT: Clerk will record. A record vote. Verify.

CLERK: Voting aye, Senator Frank Lewis and Senator Savage.
